Circuit:	Oulton Park International	Event Date(s):	23 - 25 May 2026
Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206110
From:	The Stewards	To:	GBR Stratton Motorsport
Issue Date:	25-05-2026	IssueTime:	13:30

The Stewards, having received a report from the Race Director, summoned and heard from the team representative, have considered the following matter and determined the following:

No / Driver:	97 / GBR Stratton Motorsport (MSUK: 291509)
Session:	Race 8
Time (Fact):	12:15
Fact:	Car 97 did not have a SD card in the camera during the race.
Offence:	BGT 2026 Sporting Regulation 19.2 - It is the responsibility of each Competitor to obtain an onboard camera system and to install it in strict compliance with the relevant instructions.
Decision:	Fine of £1,000 of which £500 is payable now and £500 is suspended for the remainder of the season.
Fine:	£ 1000.00 GBP
Reason:	The Stewards, having received a report via the Race Director from a Pit Lane Official, spoke with the Team Representative of car #97, who admitted that a SD card had not been fitted in the car before the start of the race. The team representative apologised for this mistake. The Stewards determine this to be a clear breach of the regulations and therefore impose a fine of £1,000 of which £500 is payable now and the remainder (£500) is suspended for the remainder of the season. Should the team commit a repeat offence then the remainder of this fine and the penalty for the actual offence will be applied.

You are reminded of your right of appeal.
