The Stewards, having received a report from the Timekeepers, summoned and heard from the driver and team representative, have considered the following matter and determined the following

No / Driver:	21 / Will Orton (MSUK: 300212)

Offence:	British GT Sporting and Technical Regulations 2026 42.1 - When the red signal is deployed all cars shall immediately reduce speed to 80 km/h.
Decision:	Fine
Fine:	£ 50 GBP
Reason:	The Stewards summoned and heard from the Team Representative and the Driver. The Stewards noted the Timekeepers report that identified car 21 having been at a speed of up to 82 km/h after the red signals were shown. The Stewards determined that the Driver was responsible for this breach of the regulations and emphasised the need to reduce speed under red signal conditions, on the grounds of safety for drivers and marshals. The Stewards impose a fine, based upon previous precedent in the Championship.
