Circuit:	Snetterton 300	Event Date(s):	15 - 16 August 2026
Event Type:	Circuit Racing - Car Race	Event Status:	National Open
Race Title:	British GT Championship	Permit Number:	206008
From:	The Stewards	To:	Andrew Howard
Issue Date:	15-08-2026	IssueTime:	16:30

The Stewards, having received a report from the Race Director, summoned and heard from the driver and team representative, have considered the following matter and determined the following:

No / Driver:	7 / Andrew Howard (MSUK: 159258)
Session:	Qualifying 1 - GT3
Time (Fact):	15:40
Fact:	Did not respect the Red Flags and reduce to 80 kph
Offence:	British GT Sporting and Technical Regulations 2026, Art. 42.1 - When the red signal is deployed all cars shall immediately reduce speed to 80 kph.
Decision:	Fine
Fine:	£ 1200 GBP
Reason:	The Stewards summoned and heard from the Team Representative and the Driver. The Stewards noted the Timekeepers report that identified car 7 having been at a speed of up to 135kph after the red signals were shown. The Driver immediately acknowledged that he had failed to reduce speed when the red signals had been shown. The Driver apologised for his mistake. The Stewards determined that the Driver was responsible for this breach of the regulations and emphasised the need to reduce speed under red signal conditions, on the grounds of safety for drivers and marshals. The Stewards impose a fine, based upon previous precedent in the Championship
