Event Type:	Circuit Racing - Car Race	Event Status:	National Open
Race Title:	British GT Championship	Permit Number:	206008
From:	The Stewards	To:	Mike Price
Issue Date:	15-08-2026	IssueTime:	18:26

The Stewards, having received a report from the Race Director, summoned and heard from the Cameron Campbell, driver of car #13, and both team representative, have considered the following matter and determined the following:

No / Driver:	3 / Mike Price (MSUK: 297121)
Session:	Qualifying 1 - GT3
Time (Fact):	15:36
Fact:	Coming out of the Bomb Hole car #3 slowed drastically whilst car #13 was behind him. This caused car #13 to take evasive action.
Offence:	Ch.12 App.7 Art.1.9 - Slow, erratic or potentially dangerous driving.
Decision:	Loss of two fastest lap times from Q1. Mike Price is given 1 behaviour warning point.
Reason:	The Stewards heard from driver of car #13, Cameron Campbell, and the team managers of cars #13 and #3. At the time that the hearing was convened Mike Price, driver of car #3, had left the circuit. The Stewards proceeded on the basis the driver of car #3 had proper notice of the hearing. Based on the above fact the Stewards find that the driver of car #3 was in breach of the NCR regulation set out above. The Stewards deem that the penalty given is appropriate in the circumstances of this incident.
