Event Type:	Circuit Racing - Car Race	Event Status:	National Open
Race Title:	British GT Championship	Permit Number:	206008
From:	The Stewards	To:	Optimum Motorsport
Issue Date:	16-08-2026	IssueTime:	15:04

The Stewards, having received a report from the Race Director, summoned and heard from the team representative, have considered the following matter and determined the following:

Entrant:	Optimum Motorsport (Car Number: 59)
Session:	Race 1
Time (Fact):	12:16
Fact:	Team member in the pit lane with visor open
Offence:	British GT Championship regulation 36.6 - Eye protection in the form of visors or safety glasses is highly recommended for all personnel in the working lane, and mandatory for those wearing armbands.
Decision:	Formal Written Reprimand
Reason:	It is clear from on-board video that a team member raised his visor when working on the car at their pit stop. In realising the error that team member was noted as putting the visor back down to comply with the regulation. In this situation a reprimand is considered an appropriate penalty for this offence and is in keeping with previous decisions of this nature.
