Circuit:	Donington Park GP	Event Date(s):	5 - 6 September 2026
Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206810
From:	The Stewards	To:	Toro Verde GT
Issue Date:	05-09-2026	IssueTime:	14:11

The Stewards, having received a report from a Judge of Fact, summoned and heard from the team representative, have considered the following matter and determined the following:

Entrant:	Toro Verde GT (Car Number: 42)
Session:	Pre-Qualifying
Time (Fact):	12:00
Fact:	Car #42 was being refueled when the pre-qualifying session had started.
Offence:	British GT Sporting & Technical Regulations Art. 37.1 - Refueling is only permitted during the Free Practice session, the Warm-Up and the Race. Refueling is forbidden during any other session/
Decision:	Fine
Fine:	£ 500 GBP
Reason:	The Stewards heard from the team manager who admitted that the car was still being refueled at the start of the session. The Stewards mitigate this fine down from the usual £800 as unlike earlier incidents in the season this was not an instance where the car went out, set a time, and then refueled therefore having the opportunity to gain a sporting advantage if the result of pre-qualifying had to be used to set the grid.
