

## Steward Decision

|                    |                                 |                       |                                           |
|--------------------|---------------------------------|-----------------------|-------------------------------------------|
| <b>Circuit:</b>    | Donington Park GP               | <b>Event Date(s):</b> | 5 - 6 September 2026                      |
| <b>Event Type:</b> | Circuit Racing - Endurance Race | <b>Event Status:</b>  | National Open Endurance                   |
| <b>Race Title:</b> | British GT Championship         | <b>Permit Number:</b> | 206810                                    |
| <b>From:</b>       | The Stewards                    | <b>To:</b>            | Townsend Racing powered by Fox Motorsport |
| <b>Issue Date:</b> | 05-09-2026                      | <b>IssueTime:</b>     | 17:10                                     |

The Stewards, having received a report from the Race Director, summoned and heard from the and team representative, have considered the following matter and determined the following:

|                     |                                                                                                                                                                                                                               |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Entrant:</b>     | Townsend Racing powered by Fox Motorsport (Car Number: 40)                                                                                                                                                                    |
| <b>Session:</b>     | Qualifying 4 - GT4                                                                                                                                                                                                            |
| <b>Time (Fact):</b> | 16:26                                                                                                                                                                                                                         |
| <b>Fact:</b>        | Car was released for Q4 parked parallel to the pit lane, in contravention of Driver's Briefing Notes Section 9 (cars must be released from 45 degrees towards the pit exit before each category's second Qualifying session). |
| <b>Offence:</b>     | NCR Ch.6 App.1 Art.2.4 - Failure to Follow the Instructions of an Authorised Official of the Event                                                                                                                            |
| <b>Decision:</b>    | Formal Written Reprimand                                                                                                                                                                                                      |
| <b>Points:</b>      | 2                                                                                                                                                                                                                             |
| <b>Reason:</b>      | The Stewards, having received a report from a Judge of Fact, summoned the Entrant of car 40 regarding that car not being released at 45 degrees before the category's second qualifying session.                              |

The Stewards felt that the penalty was appropriate, given the potential for a sporting advantage by not parking at 45 degrees.

You are reminded of your right of appeal.
