Race Title:	British GT Championship	Permit Number:	206810
From:	The Stewards	To:	Rodin Motorsport
Issue Date:	06-09-2026	IssueTime:	12:14

The Stewards, having received a report from the Judge of Fact, summoned and heard from the team representatives, have considered the following matter and determined the following:

Entrant:	Rodin Motorsport (Car Number: 13)
Session:	Warm Up
Time (Fact):	11:51
Fact:	A team manager from the entrant was requested to attend the Stewards' Office three times on the British GT Messaging system. The last request sent on the British GT Messaging system set the time of the hearing at 11:40. A team representative arrived at the Stewards Office at 11:51.
Offence:	NCR 6.1.2.4 - Competitors and their service / pit assistants must at all times obey the instructions of an authorised Official of the Event.
Decision:	Formal Written Reprimand
Points:	2
Reason:	The Stewards heard from the team representatives. Under the British GT Sporting & Technical Regulations 2026 Articles 14.3 & 14.4 state that all Teams must be connected and are required to monitor the British GT Team Messaging System at all times during each Event. Further, Article 14.3.1 states Any decision or communication concerning a particular Competitor must be delivered as soon as possible and receipt must be acknowledged. The British GT Team Messaging system may be used to send summons and documents and for Teams to confirm receipt.

The team were sent summonses and admitted that they did not see them. The Stewards deem the team in breach of this regulation and the summonses sent. Whilst it is accepted that the team is running in multiple championships this weekend it was emphasised to the team representatives the importance of monitoring the British GT Messaging System. The penalty given is deemed appropriate in these circumstances.

You are reminded of your right of appeal.
