Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206810
From:	The Stewards	To:	Jack Brown
Issue Date:	06-09-2026	IssueTime:	15:42

The Stewards, having received a report from the Race Director have considered the following matter and determined the following:

No / Driver: 90 / Jack Brown (MSUK: 271715)

Session: Race 1

Time (Fact): 15:28

Fact: Car #90 passed the control line that displayed he was penalised with a drive through penalty seven times.

Offence: British GT Sporting & Technical Regulations, Art. 16.6(a) - The relevant car may cross the Line on the track no more than three times before entering the pit lane.

Decision: Stop & Go of one minute.

Reason: Car #90 drove past the control line displaying that he had a drive through penalty, for a pit lane infringement, seven times. This is four times more than permitted under the regulations. As such the Stewards rescind the drive through penalty and award car #90 a one minute stop go instead. This penalty is appropriate in the circumstances.
