Circuit:	Brands Hatch GP	Event Date(s):	26 - 27 September 2026
Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206032
From:	The Stewards	To:	2 Seas Motorsport
Issue Date:	26-09-2026	IssueTime:	13:09

The Stewards, having received a report from the Race Director, summoned and heard from the team representative, have considered the following matter and determined the following:

Entrant:	2 Seas Motorsport (Car Number: 15)
Session:	Pre-Qualifying
Time (Fact):	12:06
Fact:	2 mechanics were not wearing head protection whilst working on car #15 in the working area of the pit lane
Offence:	British GT Sporting & Technical Regulations 36.6 - Each Competitor must ensure that its mechanics and Car Controller wear flame-resistant overalls, long underwear including balaclava, gloves, socks and shoes and suitable helmets while they are working on the pit lane.
Decision:	Fine
Fine:	£ 250 GBP
Reason:	The Stewards, having summoned and heard from the Team Representative of car #15, noted that two team personnel were working on the car during a pit stop but were not wearing head protection (helmets were on the ground beside both personnel) as required under CR 36.6. The Team Representative admitted that it was a lapse of judgement on the team member's part. The Stewards determine that the Entrant be fined for this breach of the regulations
