Circuit:	Brands Hatch GP	Event Date(s):	26 - 27 September 2026
Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206032
From:	The Stewards	To:	Rob Collard
Issue Date:	27-09-2026	IssueTime:	15:24

The Stewards, having received a report from the Race Director, summoned and heard from the driver and team representative, have considered the following matter and determined the following:

No / Driver: 63 / Rob Collard (MSUK: 91100)

Session: Race

Time (Fact): 14:26

Fact: Car #63 exceeded the FCY speed limit by going 94.9 km/h, 14.9 km/h over the speed limit.

Offence: British GT Sporting and Technical Regulations 46.4 - Failing to respect FCY (80 km/h)

Decision: No further action

Reason: The Stewards heard from the start driver of car #78 and the team manager. Although the Stewards find car #78 did exceed the FCY speed limit the Stewards accept that after going off at Sheene Curve the car was not showing the correct speed on the dashboard to the driver, the wheel speed sensors were not correctly working, he tried to keep the car below the FCY speed limit, and the FCY limiter was not working correctly at this time. Therefore, it is appropriate to take no further action in this instance.
