The Stewards, having received a report from the Race Director, summoned and heard from the team representative, have considered the following matter and determined the following:

Entrant:	Barwell Motorsport (Car Number: 78)
Session:	Race
Time (Fact):	14:34
Fact:	Alleged unsafe pit lane release of car 78.
Offence:	British GT Sporting & Technical Regulations 34.17. - Cars must leave the working area in a safe and appropriate manner. Any infractions will result in an available penalty.
Decision:	No further action.
Reason:	The Stewards received a report and video from the Race Director that car 78 was released in an unsafe manner. Video evidence was reviewed with the Team manager and the Stewards determine car 78 left in a safe and appropriate manner. There was no middle lane at this point because the hatching had ended and the car had moved completely from the working lane to the fast lane by the pit lane exit loop.
