

Steward Decision

Circuit:	Brands Hatch GP	Event Date(s):	26 - 27 September 2026
Event Type:	Circuit Racing - Endurance Race	Event Status:	National Open Endurance
Race Title:	British GT Championship	Permit Number:	206032
From:	The Stewards	To:	Optimum Motorsport
Issue Date:	27-09-2026	IssueTime:	16:57

The Stewards, having received a report from the Race Director, summoned and heard from a team representative, have considered the following matter and determined the following:

Entrant:	Optimum Motorsport (Car Number: 90)
Session:	Race
Time (Fact):	16:15
Fact:	Car #90 was weighed and was under the minimum weight of 1310kg, per Event Bulletin 7. The car weighed 1306.5kg.
Offence:	British GT Sporting and Technical Regulations 28.2 - Should the weight of a car be less than that specified on the Balance of Performance table for that Competition then the Competitor concerned may be given one of the penalties set out in Article 28.8 save where the Stewards of the Event is satisfied that the deficiency in weight results solely from the accidental loss of a component of the car.
Decision:	Disqualified from the results of the race.
Reason:	The Stewards spoke to the team representative and as well as the non-compliance report had a valid calibration certificate for the weighing scales. The Stewards find that there was no exceptional reason and were not satisfied that the deficiency in weight resulted solely from the accidental loss of a component from the car. Therefore, the penalty of disqualification from the race is deemed appropriate.
