Donington Park GP Circuit

Intelligent Money British GT Championship

## ***Race start procedure clarification,***

### **Rolling Start**

Due to the change in track conditions from qualifying to the race 1 start, the cars will be given 2 laps behind the lead car prior to the rolling start. The race will start when the RED lights are extinguished on the start line gantry.

### **Safety Car Start**

In the event that the Race Director declares a Safety car start procedure, the following regulation applies;

Motorsport UK Yearbook 2020, Appendix2: Operation of safety car 1.16

The race clock will start at the showing of the green flag when the safety car leaves the grid.

Peter Daly
