Bulletin 13: Track Limits

The Race Director notifies all competitors and officials of the following:

Bulletin 9 referring to monitoring track limits ; cl9

For clarity, the white lines of the track define the extent of the track homologation.

During the Driver and Team Manager briefing it was announced that particular focus was being paid to turns 4, 17 exit and 19 exit.

The Race Director is confirming with this bulletin that the **entry to Turn 17 will also be monitored** with a judge of fact.

Any car that is seen to have all 4 wheels behind the white line that defines the edge of the track will be reported in accordance with the driver briefing slides and bulletin 9; cl9.

For the avoidance of doubt, T17 entry and exit will be monitored.
